

Third-Party Software Licensing Agreement

About This Document

This document provides additional software licensing information that should appear in all NEO, X75, and ICE6800+ manuals.

Third-Party Software Licensing Agreement

If the software embedded in a Leitch product incorporates the VxWorks Run-Time Module, the following paragraphs are applicable:

You are prohibited from:

- a) copying the Run-Time Module, except for archive purposes consistent with your archive procedures;
- b) transferring the Run-Time Module to a third party apart from the Leitch product containing the Run-Time Module;
- c) modifying, decompiling, disassembling, reverse engineering or otherwise attempting to derive the source code of the Run-Time Module;
- d) exporting the Run-Time Module of underlying technology in contravention of applicable U.S. and foreign export laws and regulations, and
- e) using the Run-Time Module other than in connection with operation of the Leitch product in which it is embedded.

Any further distribution of the Run-Time Module is subject to the same restrictions set forth herein. Wind River Systems, Inc. and its licensors are third party beneficiaries of the End User License Agreement and the provisions related to the Run-Time Module are made expressly for the benefit of, and are enforceable by, Wind River Systems, Inc. and its licensors.

The laws of the Province of Ontario shall govern this Agreement. Updated January, 2005.
